2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The college is situated in rural area and both economically and socially backward students are enrolled. Therefore, the task of imparting education through student centric approach has to be customized. The students from the upper strata are generally active and their ability to comprehend is generally higher. So, for them the effort of the teacher is much less in boosting their confidence level and encouraging self-reliance of backward students. Students of Science stream have their exposure in the laboratory and towards various skill development programmes. In addition, these students are exposed to unique problems in the laboratory, which they are encouraged to solve with their knowledge base. Humanities subject teachers take extra care in involving the pupil to their respective subjects in unearthing the intricacy of the discipline. They are encouraged for extensive library work for participative learning. For the students from the lower strata, both academically and economically, it is a challenging job. First of all, they need constant attention and encouragement. Secondly, being passive recipients, they need morale boosting and innovative pedagogy. Overall, the student centric methods are in vogue for all students according to their needs.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

As we are a composite college we appreciate and try as best as we can to implement decentralized practices for effective

administration of the college. We, therefore, have created separate admission cells for 2 and 3 courses to perform admission related activities and independent examination sections for conducting the mid-term and end-term examinations. The most sincere and efficient members of the staff have been entrusted with the said responsibilities. The officer in-charges in the respective units have done exemplary work in the current session. Examination and Admission are the two most sensitive departments in an educational institution because they directly deal with students and parents. And we take pride in the fact that the officers in the said departments have been doing a commendable job. Adequate number of computers and dealing assistants have been deployed to assist the officer in the work.
